## **OBSERVING THE ONE-YEAR ANNIVERSARY OF COVID AT TRINITY**

What did you see?

### **Trinity Lutheran to Honor Frontline Workers + Small Business Owners**

As we observe the one-year anniversary of COVID and the impact it has had on ministry (we shut down worship on campus March 15) and our lives, we want to focus on the blessings God has provided rather than the negative aspects of it.

During our services on **Sunday, March 14**, we will share the stories, experiences and blessings of those within our own church and school family throughout the last year. Additionally, in the weeks prior, we plan to feature and honor Trinity Lutheran's very own frontline heroes and small business owners across our church congregation, school and church staff, and student body families. We encourage you to please share your own stories, as well nominate members within our Trinity Lutheran family that have sacrificed on the frontlines in our community and our school and church walls.
