What does it mean to have an All-In God?

Would you choose a financial planner who is “ALL IN” with your investment plan or one who thinks “pretty good is good enough”? Are you okay with a coach who is happy with a 8-8 record or one who wants to go 16-0? In the same light, who wants a God who will be there half of the time or only give to you part of what you need? **Good news — we have an “ALL-IN” God!**

So why would you want to be part of a ministry that is happy with mediocrity? We certainly do not worship a God who goes “half-way.” He sacrificed the life of his one and only Son to save us from sin and death. God is truly “ALL IN” when it comes to you.

What does “ALL IN” ministry look like? It helps you

see what God is doing in your life so you can experience the full life he wants for you. **It equips you to see what God is doing in the lives of those around you — the dreams he has for ALL people.** This ministry prays for God’s healing in EVERY aspect of your life. It works to bring forgiveness for ALL your guilt and hope in EVERY situation.

Jesus Christ loves you FULLY. He will go to the mat for you. He will ALWAYS be there for you. His love is UNCONDITIONAL. We want Trinity to be an “ALL-IN” ministry. For that to happen, we need people who believe God can make it happen and will work together for that purpose. Let’s be part of something special. **Are you in this with us? ALL IN?**
