PICTURE DAY More than 100 students took part in Picture Day Wednesday. This year the students went by classes to the gym which allowed more room for distancing as they waited in line for their turn. Orange cones were used to help them remain 6 feet apart. Families can buy copies of the individual pictures as well as class collages. All ordering was done on-line this year rather than using paper forms. The pictures also will be used for the 2020-2021 yearbook. The pictures were taken by Inter-State Studio.
