

Day 33

SO THANKFUL

For from Him and through Him and to Him are all things. To Him be glory forever. Amen. Romans 11:36

God is at work in our lives every day. Everything He does is for the best of us. He is always there for us through all the things that happen in our lives. God has a plan for every one of us. He is always in the works for our plan.

I am so thankful for all the blessings that God has given me. In the past four years I have gone through a couple of traumatic events. Four years ago on Nov. 6, my mom got diagnosed with breast cancer. We went through a hard year, but I guess that is the path that God wanted for us. When she got all of her hair cut off that was so, so, so hard for me; it all

hit then. At that moment I realized everything that could happen. But on Dec. 7, 2016, the cancer was all gone.

Then suddenly, in December 2019, they found a tumor in my mom's brain. Once again, I was so nervous. Was it cancerous or not? The results came in and it wasn't cancer! I was so happy. That is another reason that God is there for us in our lives. He always looks out for us and will guide us on the right path.

I am so thankful for the life I have today. My mom could be gone. hen what would I do? I am so fortunate for the things I have in my life today. I am thankful for God.
